Please complete this activity in pairs. Complete the first section on your own.

- Write ten good questions that you would like to know about your interviewee.
 - o Make sure they are not simply yes/no questions.
 - Try to learn more about the interviewee as a person, with a focus on their current career, as well as their future career goals.
 - By the end of the activity, you should be able to talk about this person for 2 3 minutes with ease.
- Interview your interviewee with the questions below, along with your questions.
- Consolidate the information into one well-written paragraph.

Remember: A career is the sum total of your life experiences.

1. What has been a defining moment in your life?

2. Do you have any hobbies? Why did you choose that/those hobbies?

3. If you could be in any profession, what would you choose?

4. What is your definition of happiness?
